## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
**BethHaven Incorporated**  
Colorado Springs, Colorado

We have audited the accompanying statements of financial position of BethHaven Incorporated (a Colorado non-profit organization) as of June 30, 2009 and 2008, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BethHaven Incorporated as of June 30, 2009 and 2008, and the change in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the financial statements of BethHaven Incorporated taken as a whole as of and for the years ended June 30, 2009 and 2008. The supplemental information is presented for purpose of additional analysis and is not a required part of the financial statements. Such information has been subjected to the audit procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.
